Dear Sir:

Status Inquiry

Applicants filed their Response to Restriction Requirement on September 13, 2002. A Notice to Comply was mailed on December 3, 2002. Examiner Holleran confirmed on January 2, 2002 that no response was required since the Notice to Comply was generated in error due to erroneous attachment by the U.S. Patent and Trademark Office of figures from another patent application to this application.
